From Principal Ms. Hope

Bonjour, Aaniin, Hello,

This past month has seemed cold and long. Students are getting tired of snow suits and of being indoors so much. Luckily spring weather is right around the corner with its promise of warm weather and freedom from the cold. As the weather warms up and all of this snow begins to melt there are concerns about flooding in the community. Please review water safety rules with your child(ren) to ensure that they stay away from melting bodies of water.

Thank you to all of the parents who have been diligent in checking lunches for items that contain any nut product. We appreciate your efforts to ensure a safe school community for everyone in our building. It is essential that we continue to monitor what comes into the school and so remind parents and guardians to keep checking the ingredient lists on all items that are put into lunch bags. An item that you may see as safe could have changes to the ingredients so always double check.

Enjoy the March break when it comes. Many folks are not able to have the March break off to be with family so please check your newspapers for the many different activities that are available to keep students active during the break.

March is all about Integrity

*I behave in an ethical and honorable manner even when no one else is around.
I am genuine, in that my actions consistently match my words.*

Milk Program is back up and running . You can purchase milk tickets through School Cash On Line or by sending the money into school with your child.

Recess & Weather

We will be going outside for recesses whenever possible so please make sure your child dresses for the weather. Everyone learns better if they get outside for fresh air and free time. Please send your child in snow boots —especially if you know they enjoy playing in the snow!

Kindergarten Registration for September 2018 begins January 2018.

Parents: make your child's first classroom experience a warm and caring one! Your child's successful school journey starts at your local KPR public school. Many KPR public schools also have before and after school child care programs for busy working parents and guardians. [Click here to learn about child care programs in KPR schools.](#)

Your child can attend school in September 2018 as follows:

- **Junior Kindergarten** – your child is four years of age by December 31, 2018
- **Senior Kindergarten** – your child is five years of age by December 31, 2018

Please bring a birth certificate or other proof of age, proof of address, and current immunization record when registering your child. You may print off and complete the registration form below, and bring it with you to the school. Registration forms also are available at each school.

NEW! Online registration using this [Registration Form](#)! Register TODAY!
(Please note: for students new to KPR only.)

Volunteers are greatly appreciated and enrich our students' school experience. In order to volunteer you need a current Police Check that is valid for one year. Please verify the dates of your police check to be sure it is up to date if you plan to volunteer.

City Residents

If you live within the Peterborough / Lakefield City Limits you must pick up a police check request sheet from the school office and take this form with two pieces of Identification to the local police station in Lakefield. The cost is \$6.34.

County Residents

If you live in the OPP area you need to pick up the paper work at the school office and take it to the OPP station in Peterborough. You must bring two pieces of Identification.

Curve Lake Residents

Curve Lake volunteers will need to pick up a police check request sheet from the school office and take this form along with two pieces of identifications to the Curve Lake Police Station.

Our school hallways are very busy during the arrival and departure times, especially during the winter months with winter clothing. For this reason and for security reasons, we ask that parent/guardians drop off and/or pick up students outside the exit doors. If you need to speak to a teacher, please call and arrange an appointment or write a note for the teacher to give you a call. Your cooperation and support with this issue is greatly appreciated.

New Student Drop off Location

Please remember when dropping off or picking up students, use the parking lot located at the west side of the school. The driveway into this parking lot is now two way. This driveway must be used to exit. The large, one way, looped driveway is for buses only. Cars are not allowed in the loop at any time. If you are dropping your child off at school late or picking up early (prior to end of day dismissal) than you can use the parking lots at the front of the school.

Hello, Bonjour, Aaniin Lakefield District Public School,

There are two types of stress. There is a good stress which helps motivate us and then there is the bad stress that can be overwhelming. It is important to understand that stress not only affects adults, but children as well. When children are feeling stressed, it can affect their friendships, ability to learn and can affect the overall health of a child. Learning positive coping mechanisms can help build resiliency and prevent stress from escalating. For more information and information on positive coping strategies, please visit;
